

SWINE FLU NEWS

With Swine Flu now classified as a Pandemic, it's more important than ever to be safe.

Germs are everywhere but it's not always possible to wash hands - Teepol Alcohol Hand Sanitizer provides effective protection against 99.9% of harmful germs. It is specially formulated for safe use in domestic situations and high-risk areas such as hospitals, schools and hotels.

In a variety of sizes from 50ml handy pocket packs with optional lanyard and 500ml pump action bottles for work or home, to 1L and 5L refill packs, Teepol Alcohol Hand Sanitizer is designed to stop the spread of germs whilst being kind to hands.

- Certified effective
- Air Drying - so no cross contamination
- Skin Conditioning - with built in moisturiser to replace natural oils
- No sticky residue
