Teepol is proud to be the longest established detergent brand in the world. With all of our products manufactured in the United Kingdom, that's an exclusive assurance too.

Our products span a wide range of industry areas, from the education, healthcare and hospitality through to automotive and marine sectors. We are always happy to talk to new customers and provide information on your area of interest.

Within the education industry, Teepol products cater for the entire spectrum of today's needs and across all areas: halls, classrooms, kitchens and washrooms - see examples of our products to the left of this page.

Teepol products for the education industry can help you:-

- Control the spread of germs and viruses with highly effective sanitizers.
- Clean floor areas that attract heavy traffic flow effectively and economically.
- Keep kitchen and washroom areas clean and hygienic.
- Maintain an effective housekeeping regime of general cleaning and maintenance.

All of this as well as general stock-up products such as dishwashing equipment and loose fill hand soaps make Teepol your first name in cleaning.

The Teepol logo features the brand name in a bold, white, sans-serif font, set against a dark blue background. A white swoosh underline is positioned beneath the letters 'e' and 'p'. A small, white, four-pointed starburst icon is located above the letter 'l'.
