THE FIRST NAME IN CLEANING

## HOSPITALITY

Teepol is proud to be the longest established detergent brand in the world. With all of our products manufactured in the United Kingdom, that's an exclusive assurance too.

Our products span a wide range of industry areas, from education, healthcare and hospitality through to the automotive and marine sectors. We are always happy to talk to new customers and provide information on your area of interest.

Within the hospitality industry, Teepol products cater for the entire spectrum of today's needs and cover standard kitchens through to the away from home market. See examples of our products to the left of this page.

Teepol can help our customers in the hospitality industry to:-

- Control the spread of germs with our kitchen sanitisers: effective in the fight against E.Coli and developed to be non-tainting.
- Effectively clean grills and fryers with our decarbonising powder.
- Clean both hard and soft surfaces with our Multipurpose Teepol BGS; effectively remove stains and keep cleaning simple whilst reducing storage costs.
- Make the best choice in terms of cost and waste with our range of Super Concentrates for on-site dilution: our machine dishwasher and rinse aid products are available in a range of sizes as concentrates to suit all users.

All of this as well as a full range of personal care products from bactericidal soap and barrier cream to luxury soaps, shower gels and lotions make Teepol your first name in cleaning.
